

Level 4 (PPE) Check list and control measures

- We have reviewed the information on selecting and using masks and instructions on how to use a mask

- We understand the limitations of masks to protect the wearer from respiratory droplets. We understand that mask should only be considered when other control measures cannot be implemented

- We have trained employees in the proper use of masks

Measures in place

Who will use masks?

What work tasks will require the use of masks?

How have workers been informed of the correct use of masks?
